

Bow United Soccer

COACH'S AGREEMENT

1. My team will be based on the results of official Bow United Soccer player evaluations and presented to Bow United for approval and for league category assignment. All players must attend tryouts, registration, and place uniform orders during designated periods.
2. I will to the best of my ability work to establish a positive developmental environment.
3. I will encourage each child to treat all other players, coaches and referees with respect. I will show positive support and will not verbally or physically abuse any officials, coaches or players at every game and practice.
4. I will make every effort to directly address any issues relating to a player (i.e. regarding performance, stature on the team or areas of improvement) or presented to me by a player. In addition, I will make myself as accessible as possible to any player and his/her family.
5. I acknowledge that individual playing time, game strategy and the starting line-up will not be up for discussion and will be based primarily on each individual player's ability, fitness, attitude, practice performance, and attendance.
6. I will hold meetings with all players and parents to discuss appropriate behavior and what is expected of them. During these meetings, I will explain that inappropriate behavior by a child or their parent can result in removal from the team or cause the entire team to forfeit games. It is considered inappropriate for parents to address referees.
7. In the spirit of the game I will not run up scores unnecessarily and will take corrective action at a goal differential of six or more goals.
8. I understand that as a coach, I can remove my team from the field of play for safety purposes without being fined by the league, however I understand the referees must still be paid and a statement must be filed with Bow United within 48 hours as to why this action was necessary.
9. I understand that league schedules cannot be changed without league approval and failure to show for a game will result in a forfeiture, league fines, and referee fees.

I hereby agree to the terms of this document.
