

Player's Code of Conduct

By participating in Bow United Soccer activities, I agree:

- A. I will not openly criticize the decisions of coaches or officials and accept them as part of the give-and-take of life.
- B. I will never attempt to injure or hurt anyone even if they hurt me first.
- C. I will not use foul or abusive language, nor use inappropriate gestures during any practice or game.
- D. I will not criticize any player while on or off the field. Instead, I will encourage teammates to play better by complimenting their good play and by providing helpful suggestions on how to play better.
- E. I will not forget that soccer is a game and not a life and death struggle. I will keep control of my emotions regardless of who wins or loses.
- F. I will arrive to practices and games on-time and ready to play. This means with uniform, shoes, shin guards, socks, ball, and the often forgotten water bottle.
- G. I understand that when I practice with my team or anytime I wear my uniform, I represent my team, soccer club, and my town and I am expected to behave accordingly.
- H. I understand that if I fail to behave appropriately, I may be disciplined, suspended or removed from the team.

I hereby agree to this code of conduct.
